

The logo features the text "CUSTOM CONCRETE" in a stylized, outlined serif font at the top. Below this, a large, stylized letter "C" is positioned on the left, with a pencil graphic extending horizontally from its right side. The pencil is shaded in gray and has a white eraser on the left and a black lead tip on the right. The word "CREATIONS" is written in a similar outlined serif font, positioned below the pencil and partially overlapping the "C".
